# HG2 FRONT VISOR

The HG2 Front Visor® is engineered and designed specifically for Law Enforcement, First Responders, Security, and Roadside Management. Our patented technology features a super-bright, wide-angle LEDs, with a cast aluminum black powder coat finish. The HG2 Front Visor® has the capability of cruise mode and full white takedown.

The HG2 Front Visor® is one of the most low-profile interior light bar solutions in the industry with little or no visual obstruction to the driver. Each Visor utilizes the entire real estate of the front windshield and is manufactured and engineered for vehicle specific applications. The Front Visor's stealth and covert properties keep the vehicle discreet and unnoticed, while still using the factory-mounted visor brackets for easy installation.

## SAFETY FIRST!

This guide provides information for a safe and proper installation of your HG2 Emergency Lighting product. Please read this guide in its entirety before attempting to install or operate this product.

This guide offers information that could prevent damage or serious injury. The installation of this kit may require that the vehicle is safely supported off of the ground, using jack stands or a vehicle lift. Never work on vehicle supported only by a jack. Observe all warnings and procedures as outlined in the manual or instructions provided by the manufacturer of your jack stands, vehicle lift and other necessary tools required to install this kit.

Installer or technician should have a good understanding of automotive electronics, and a general working knowledge of related automotive systems and procedures.

When mounting this product, care must be taken to avoid damage/interference to vehicle components and systems—such as brake and fuel lines, electrical devices (computers and airbag sensors) and wiring:

- Inspect both sides of mounting surface before drilling or inserting fasteners.
- Use fasteners of proper length.
- Install control components in accessible location that provides for safe operation of the vehicle and product controls under any driving condition.
- Do not install this product in a manner that interferes with moving parts, or where lift or jacks are used to raise the vehicle.
- Do not install this product in a manner that interferes with the deployment of an airbag.

## When wiring this product:

- Deburr and install grommets into any holes drilled for wiring.
- Route wires to avoid sources of the excessive heat and any moving parts, such as exhaust, suspension systems, brake pedal.
- Deburr and install grommet.
- Secure all wires using wire/cable ties or equivalent.
- Use NEGATIVE (-) battery post for all chassis ground connections for optimum performance and efficiency.
- Do not install this product in a manner

## DO NOT:

- Stare directly into the lights. High-intensity LEDs can cause momentary blindness and/or damage to your eyes.
- Mount product/product controls that interfere with/impede safe operation of vehicle.
- Attempt to initiate or control this lighting system during hazardous driving conditions..
- Clean product with a pressure washer, solvents or other chemicals.

FAILURE TO FOLLOW THESE GUIDELINES COULD CAUSE DAMAGE TO THE PRODUCT, VEHICLE AND/OR SERIOUS PERSONAL INJURY OR DEATH.

NEVER WORK UNDER THE HOOD WITHOUT THE PROPER EQUIPMENT IN PLACE TO HOLD THE VEHICLE SAFELY AND SECURELY WHILE OPERATING/FIXING IT.

FAILURE TO FOLLOW THESE GUIDELINES COULD CAUSE DAMAGE TO THE PRODUCT, VEHICLE AND/OR SERIOUS PERSONAL INJURY OR DEATH.

**1. Use the 1/8 Hex set to disassemble the Visor. Total of 4 screws.**

**3. Add the brackets you received. Use the 4 screws from the Visor to attach the HG2 brackets.**

**2. Pop out and disconnect the courtesy light to make extra room.**

**4. Lift the HG2 Front Visor up and tighten screws just enough to keep them up there**

Inspect exterior of vehicle to ensure mounting fasteners will not be obstructed by, or damage, vehicle systems such as fuel or brake lines. Examine the vehicle's interior floor, under carpet and door sills to make certain drilling of holes or insertion of fasteners will not damage or interfere with wiring, sensors or computers.

**5. Use a pole or adjustable prop to help get the HG2 Front Visor snug to the window.**

**7. Pop and plug in the courtesy light.**

**6. Tighten all 4 screws down.**

**8. Repeat step 1-6 for the other side.**

Inspect exterior of vehicle to ensure mounting fasteners will not be obstructed by, or damage, vehicle systems such as fuel or brake lines. Examine the vehicle's interior floor, under carpet and door sills to make certain drilling of holes or insertion of fasteners will not damage or interfere with wiring, sensors or computers.

# WARRANTY

This warranty gives you certain rights and you may also have other rights that may vary from state to state. This warranty is given only to the end-use purchaser of the accompanying product (referred to in this warranty as "this Product").

## Product Registration

HG2 Emergency Lighting warrants Products within the "Warranty Period" and that have been properly registered. To register this Product, go to [www.hg2lighting.com](http://www.hg2lighting.com). Each HG2 product must be registered within 90 days of purchase.

## What Is Covered

HG2 Emergency Lighting warrants to you for the Warranty Period that there are no defects in the materials and workmanship of this Product. The "Warranty Period" is a maximum of 5 years (Limited) from the date of purchase with proof of purchase.

## What Is NOT Covered

This warranty is **VOID—that is, this Product has no warranty**—if (1) you did not purchase this Product from an authorized HG2 reseller within the United States, (2) this Product has been serviced, modified or tampered with by anyone other than an Authorized Service Representative of HG2 Emergency Lighting (3) the serial number has been modified, defaced or removed from this Product, (4) this Product has been abused or purposely damaged, (5) non-HG2 controllers have been used, (6) this Product has been transported without the proper preparation and packaging, (7) a non-certified HG2 Installer performed work on the unit or installed the unit.

## If Your Product Defective

Call 866-468-4569, or if you suspect a defect in materials or workmanship in this Product, you can report it to a HG2 Emergency Lighting Authorized Service Center. During the Warranty Period, supply HG2's representative with a copy of your dated bill of sale showing that this Product was purchased within the United States. For the name of HG2 Authorized Dealer or Distributor call 866-468-4569. After contacting the HG2 Authorized Dealer or Distributor, you may be required to deliver or send the Product properly packaged, freight prepaid, to the Authorized Service Center together with a photocopy of your bill of sale.

## What HG2 Will Do

HG2 will evaluate your report of a possible defect to determine whether a defect exists, and if it does exist, HG2 (or its Authorized Service Center) will repair this product or (at HG2's option) replace

this Product with a product that performs the same functions and performs as well as the original Product. HG2 reserves the right to supply refurbished or remanufactured replacement products provided that the replacement products meet the manufacturer's specifications for new products. The repaired or replacement product will be returned to you at no cost.

## Exchange Service

HG2 Emergency Lighting Systems are covered by an 5 Year Limited Warranty. You must contact HG2 Support to first troubleshoot the issue, and if this Product is deemed inoperable, then a RMA (Return Merchandise Authorization) will be opened and sent to you. All RMA shipments must have the RMA number listed on the box or on a form in the box. Return shipments without RMA information attached will not be guaranteed.

## HG2 Support

Toll-free customer service and technical support is available for assistance at 866-468-4569. You may access more HG2 support by going to the HG2 website at: [www.hg2lighting.com](http://www.hg2lighting.com).

Please keep a record of this Product by completing the online registry. In response we will send a confirmation of the approved registered products. Retain this information with your proof of purchase (bill of sale) in case your Product is lost, stolen, or requires service.

You may ship this product back to

**Attn: Returns**

**HG2 Emergency Lighting**

**477 N. Semoran Blvd, Orlando FL, 32807**

## Important

We recommend that you keep all original packing materials, in the event that you ship this product.

HG2 Emergency lighting reserves the right to discontinue, modify, or upgrade any products it manufactures with design improvements without prior notice.

THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, WRITTEN OR ORAL, WHETHER EXPRESSED BY AFFIRMATION, PROMISE, DESCRIPTION, DRAWING, MODEL, OR SAMPLE. ANY AND ALL WARRANTIES OTHER THAN THIS ONE, WHETHER EXPRESSED OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED.
